

David Persky

David Persky is the Manager of Health Initiatives at SIE. He is also currently pursuing a Master of Science in Organization Development at American University in Washington, D.C. Prior to GPN, David served as an executive director for two premiere performing arts organizations and as a booking agent for a celebrated roster of touring artists. Realizing an aspiration to shift his career focus to the social sector, David is pleased to apply his skills in support of furthering SIE's mission
